Dear Steve:

In accordance with our conversation with Lynn Findlay, on Friday, August 26, 1994, we are writing you this letter to confirm that we gave Lynn the original of the Plan of Mining Operations on Forest Service Land, as it pertains to Unico's proposed Small Mining Plan filed with the Utah Division of Oil, Gas and Mining ("DOGM"), as well as a copy of the Notice of Intent to Commence Small Mining Operations filed with (DOGM). In accordance with Lynn's request we have also sent you a notarized copy of the authorization given Steve Evans to act on behalf of Unico, Inc. and to sign on behalf of Unico, Inc.

Please contact us if you have any questions or comments. Thank you for your assistance in this matter.
